

## **Pediatric Checklist**

For a successful first visit, please bring the following completed forms to your intake appointment.

### **FORMS:**

- Initial Intake Form
- Pediatric History Form
- Authorization and Consent Form

All forms are found on our getting started web page  
<https://www.exercisabilities.org/get-started/>)

*We will have these forms available at your first visit if you are unable to complete them prior to the appointment. Please arrive at least 15 minutes prior to scheduled start time to complete.*

### **Items that we must have for the intake meeting and prior to your initial evaluation being scheduled:**

- Current Insurance cards
- List of medications
- Doctor's referral or order
- Individualized Education Plan IEP
- Recent Occupational evaluation
- Recent Speech evaluation
- Any pertinent health information not listed above
